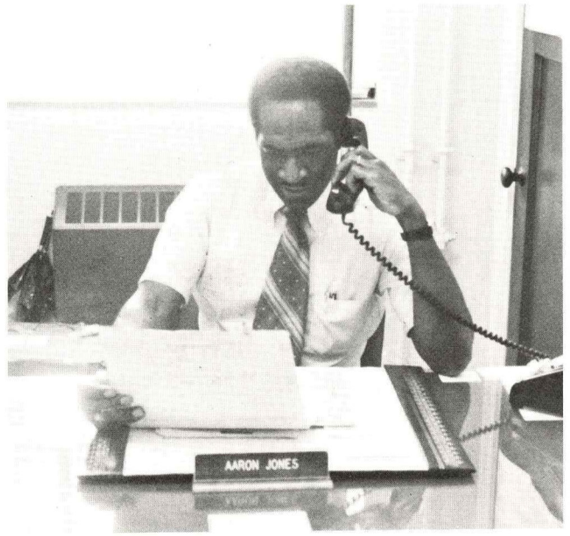
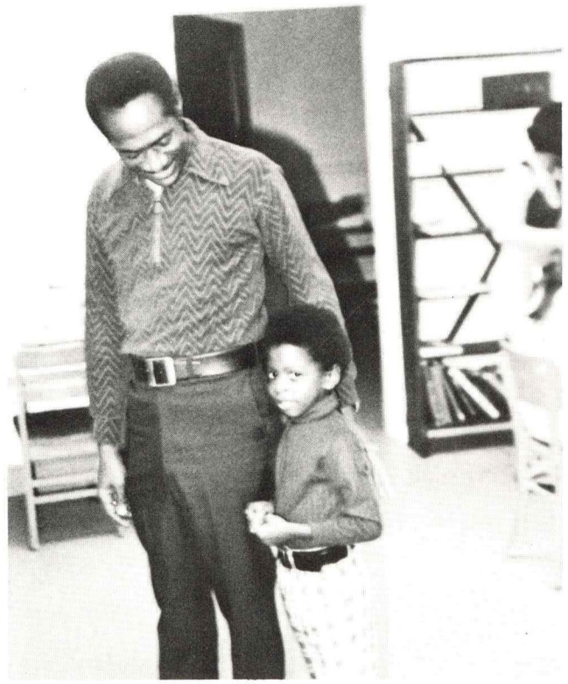
THIS 1975 GROWLER IS DEDICATED TO MR. AARON JONES, SR.

We, the 1975 Growler staff proudly dedicate our yearbook to a man who has given untireingly his time and efforts to Moss Point High School. Since he joined the staff at M.P.H.S. two years ago as assistant principal a deep respect for him is shared by both students and faculty. His devotion, hard work, sincere smile, and cheerful attitude are a few of the reasons he is well liked by M.P.H.S.



He received a Bachelor of Science degree in Health and Physical Education from Jackson University To further his education he attended Mississippi State and obtained a Masters in School Administration.



Believing in all people, he feels that one will get out of life what one puts in. We learn as we touch bases with others, likewise others learn from us. His interpretation of education is being able to adjust to the successes and failures of life. Education is being able to communicate with those who have the least intelligence and with those who have the most.

With much pride and honor we dedicate this 1975 Growler to Mr. Aaron Jones, Sr.

TEACHER OF THE YEAR MRS. PATTIE GUNN

The Teacher of the Year Award is sponsored annually by the Student Council. This honor is given to the teacher whose attitudes, ideas, and teachings are the most representative of the ideal instructor. One must show a concern for the student, be sincere in purpose, and get along well with other teachers.

With these qualities in mind, the Student Council is proud to announce the teacher of the Year for 1974-75 Mrs. Pattie Gunn.

Mrs. Gunn has been in the teaching profession for the past 20 years. She has a Bachelors degree from Huntington college and a Masters degree from the University of South Alabama.

The subjects taught by Mrs. Gunn included College Prep Math and Algebra II. Each year she works untiringly toward the preparation of new and revised math courses to suit each students need. She has a sincere interest in all of her students and always strives to make math interesting to them.

Surely Mrs. Gunn is very deserving of this distinguished award.

MOST SOPHISTICATED

SENIOR CLASS PRESENTS . . .

The senior class presented the comedy "Big Rock at Candy's Mountain". The senior play cast members put a lot of hard hours into this play, and it turned out to be one of the best senior plays in the history of Moss Point, High School. We would like to thank Mrs. Ann Davis and Mrs. Margaret Sullivan for serving as directors. Mr. Doug Sullivan, stage and set director and Mr. Marvin White serving as make-up director. The advanced art students, under the direction of Mr. Don McCain, designed and painted sets for the play.

MR. M.P.H.S.
ROBERT CHATMAN

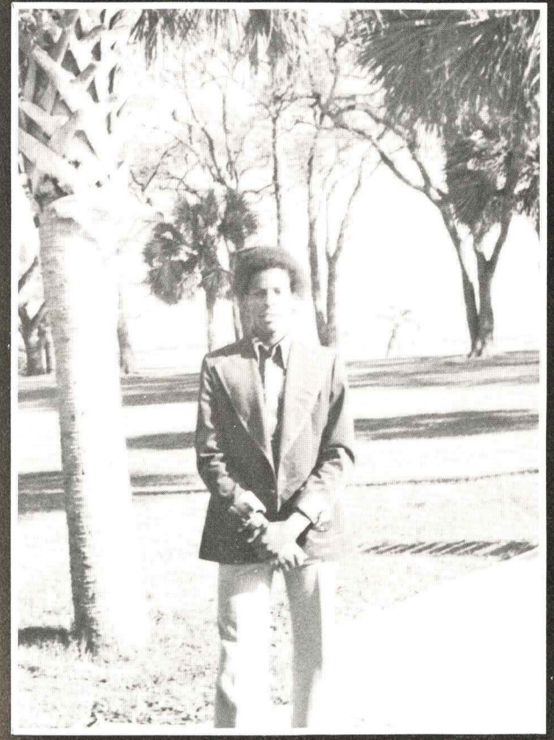
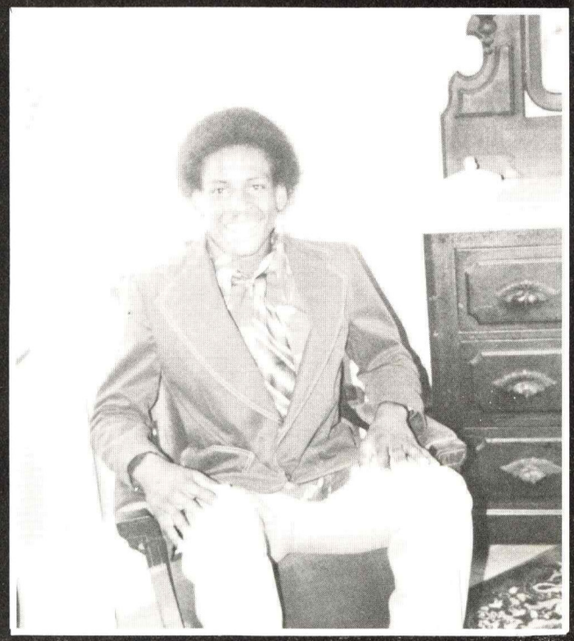
Chosen as Mr. M.P.H.S. for 1975 was a young man who proved himself an outstanding athlete as a letterman in track, basketball, and football. Robert Chatman contributed greatly to the athletic program of M.P.H.S. Proof of his contributions are shown by his selection to several all star teams well as All Big 8 in football.

In addition to Robert's athletic abilities, he also served as a member of the Human Relations Committee, and the Big Brothers Club, and was chosen as a member of the 1975 Heartfund Ball Court.





MISS M.P.H.S.
CAROLYN RANKIN

Serving as a football cheerleader as a student council member for two years shows a small part of Carolyn Rankin's contributions to the total program at M.P.H.S. She served as vice-president of the student body, a member of the bi-racial committee, and attended Youth Congress while attending M.P.H.S.

A member of the Homecoming Court her sophomore and senior years, and selection as a Senior Class Beauty are just two of the honors Carolyn has received. The list of honors is certainly crowned by her deserving selection as Miss M.P.H.S.

Remember the Fall Festival, Heart Fund Benefit Ball, Homecoming activities, the carnations on Valentine's Day, Volleyball games and Student Directories. We enjoyed working with you.

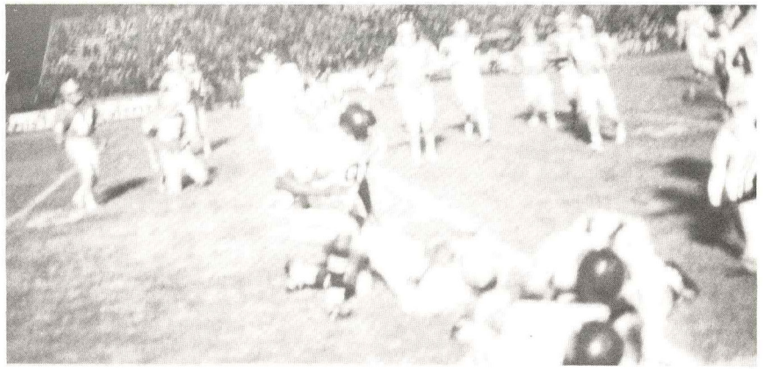
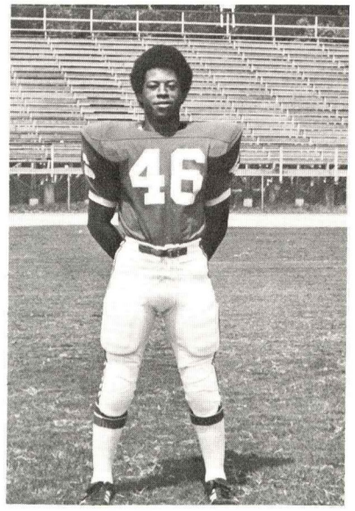
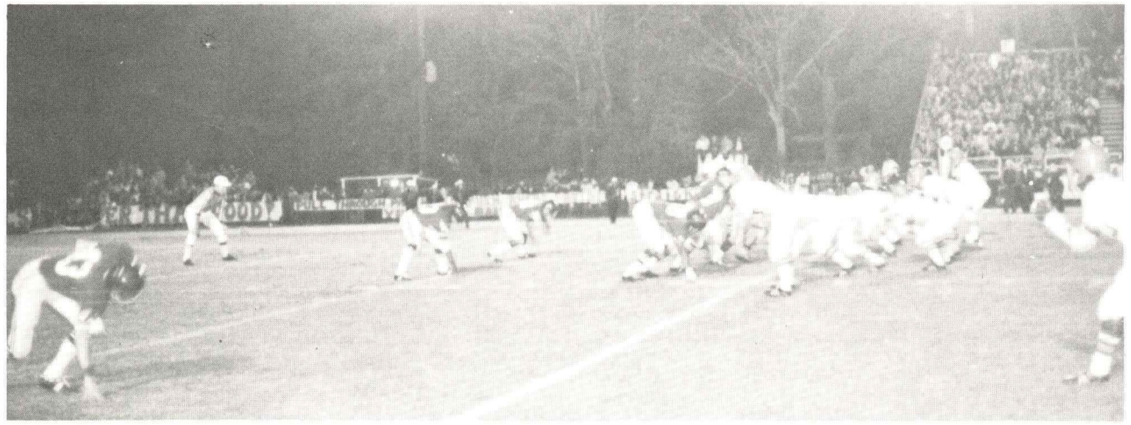
The Moss Point Tigers opened the 1974 football season on September 6 playing host to the North Natchez Rams of the Central Division. The game was one that will be remembered as the great halftime comeback.



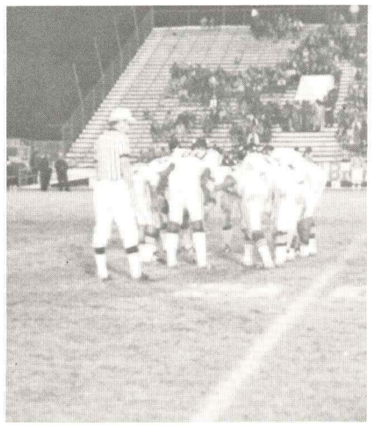
Moss Point travel to Picayune for their second gridiron clash, and took with them a No. 6 state ranking. Each year the Tide plays Moss Point one of its toughest ball games, a rivalry dating back to the days when the annual contest was known as the Cellar Bowl. Although the score of 23-0 doesn't reflect it, most will agree this was a hard fought contest.

GERALD HARRIS

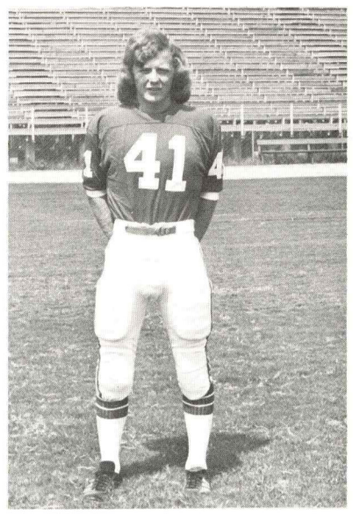




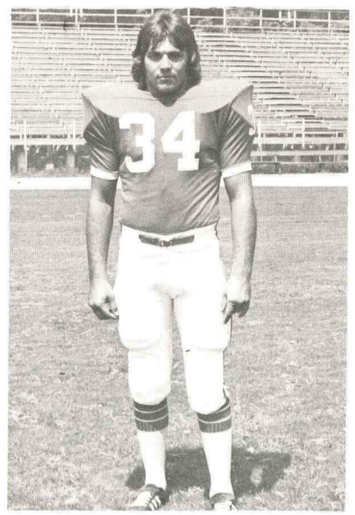
RICKY RONEY

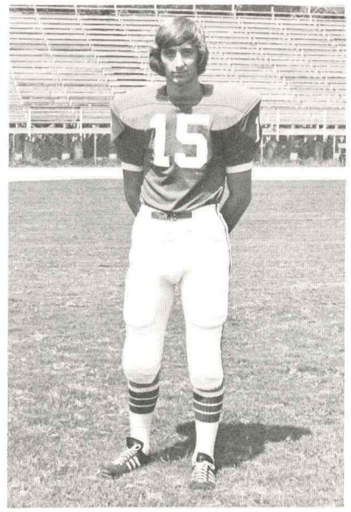


TERRY RICHMOND



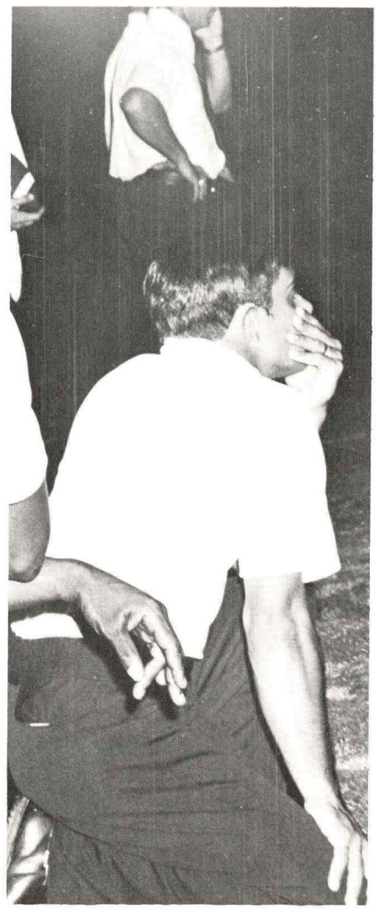
McComb fell prey to the Tigers and we seemed to sense an air of something big. If only we knew what was to come.

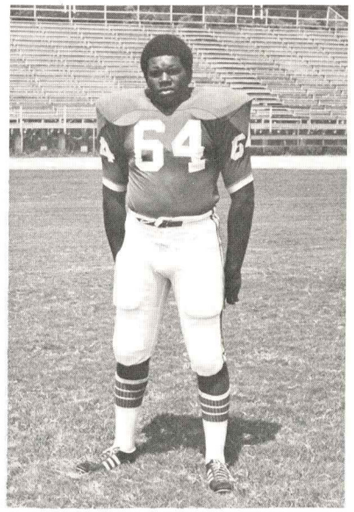




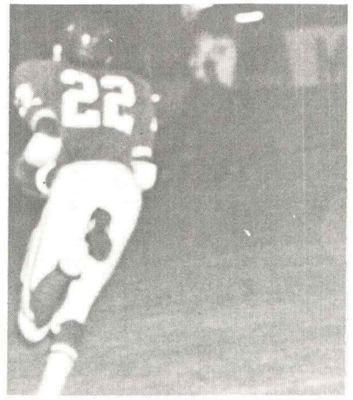
MIKE WAUGH

Our Tigers claimed its' fourth victory of the season by upending the Meridian Wildcats 12-3 at Meridian.

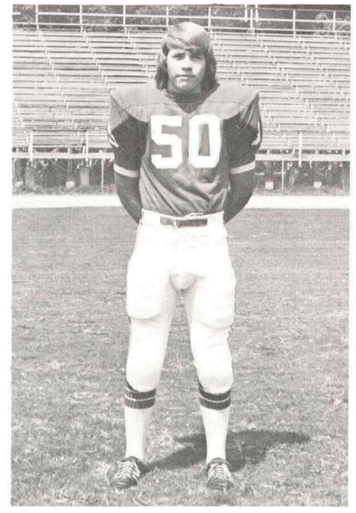


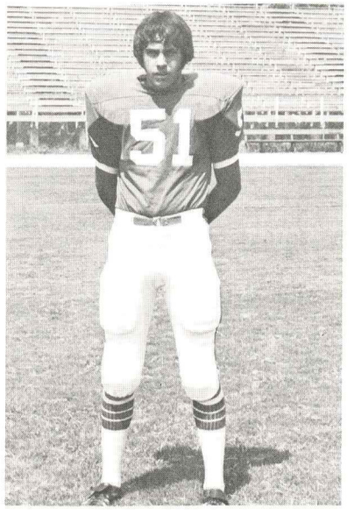


JAMES WILLIAMS



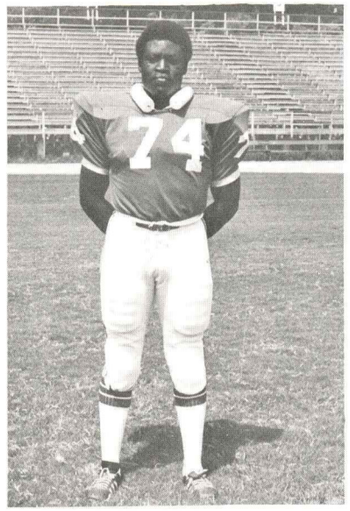
BERT LYNN



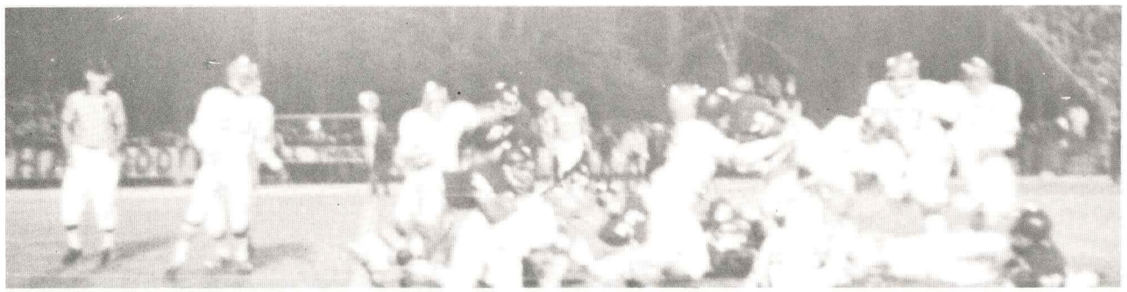


STEVE PERRY

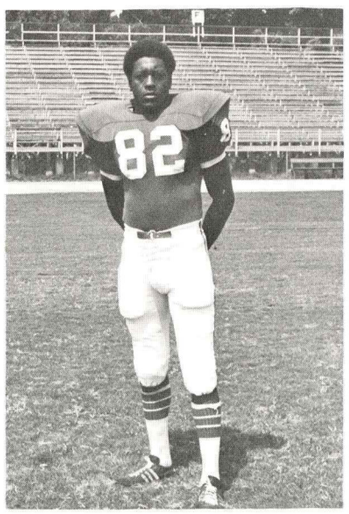
The Tigers' ability to capitalize on Gulfport turnovers paved the way to a 23-0 washout of the Commodores at Milner Stadium setting the stage for what many believed to be the most important game in the history of Moss Point High.

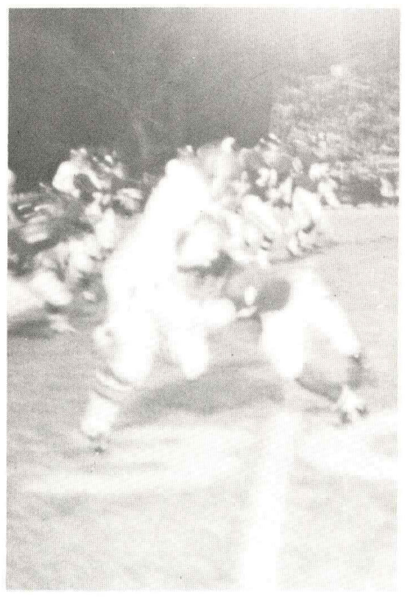


LEON McMILLAN

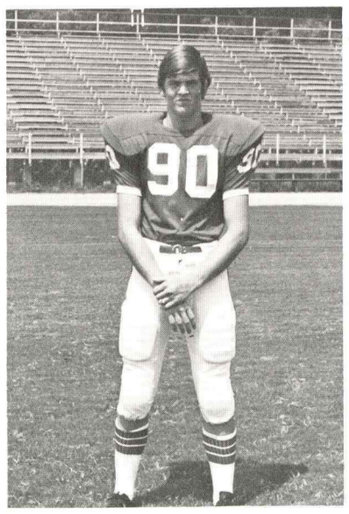


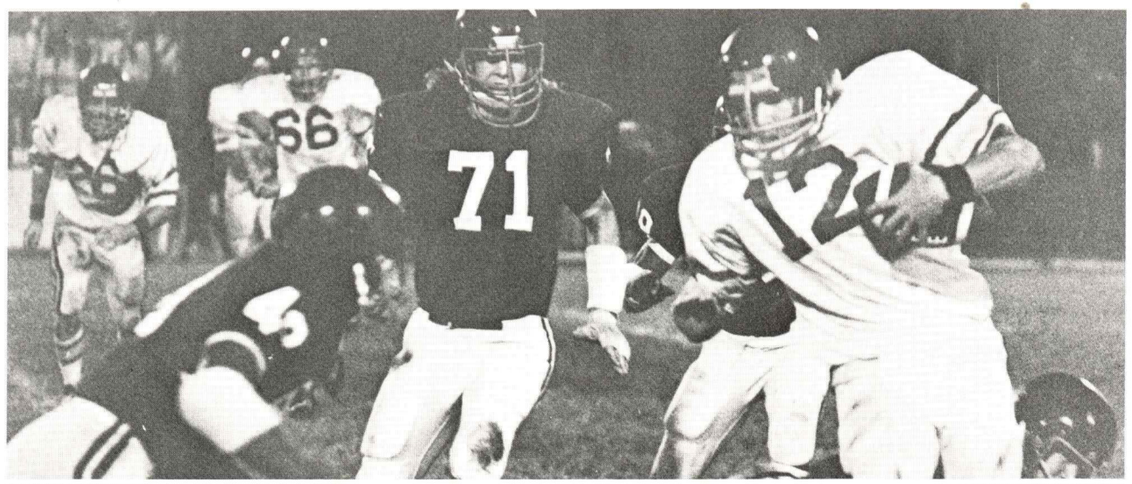
MIKE EDWARDS



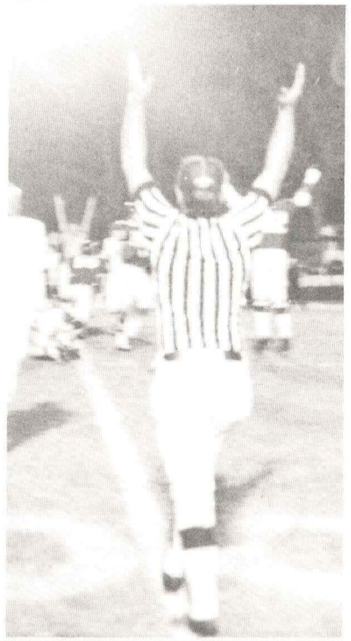


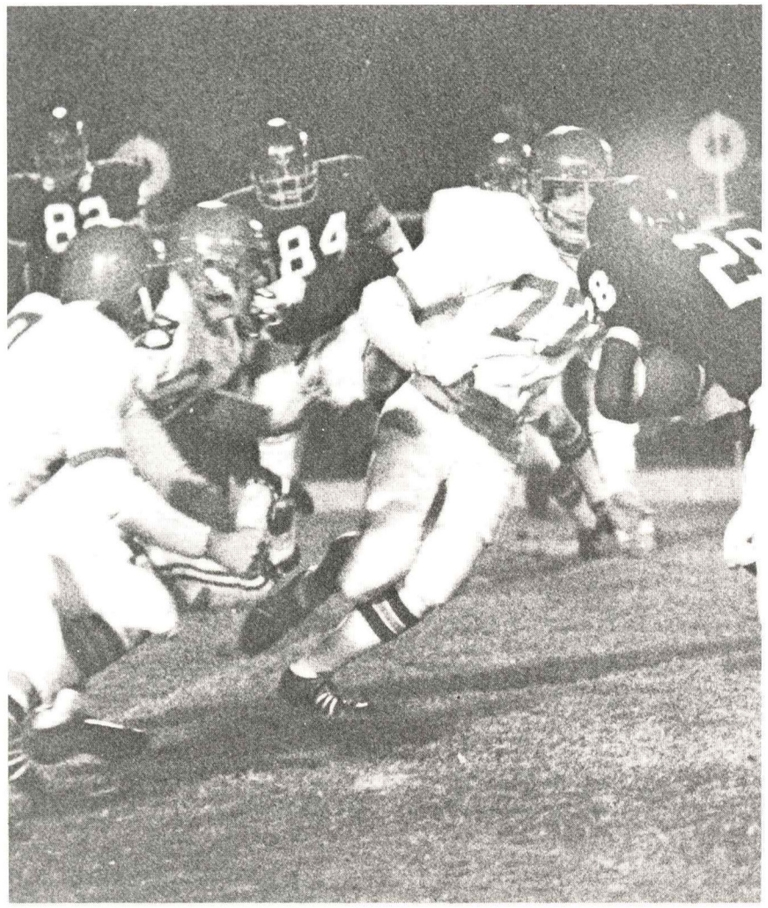
BILL COKER

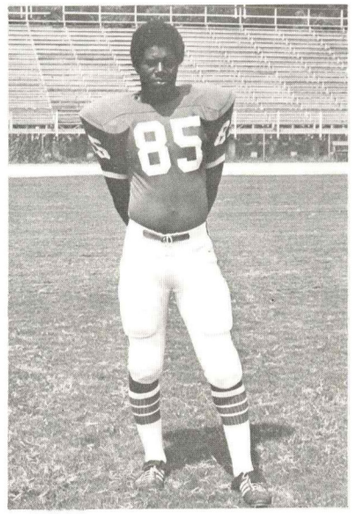




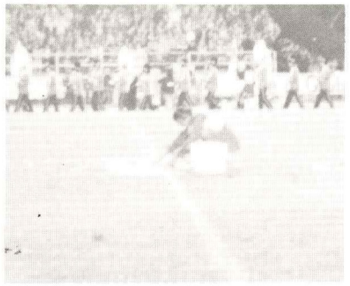
Laurel arrived in Tiger town carrying a 5-0 record, and housing a defense which was unscored on. The big thing that Laurel brought with them however, was the No. 1 banner which signifies football supremacy in the state of Mississippi. Before the night was out the Golden Tornadoes had 28 points scored on their defense, their record was blemished at 5-1, and the No. 1 banner flew majestically over MPHS.



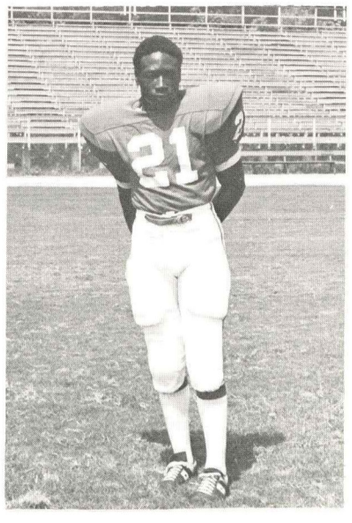




RAYMOND PEYTON

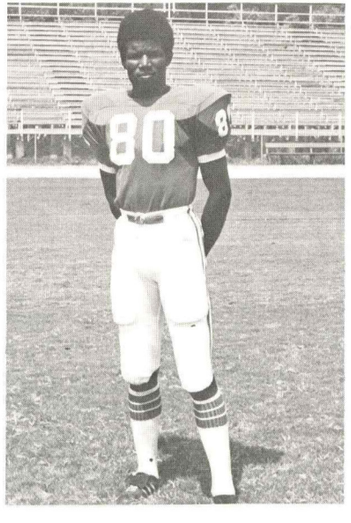


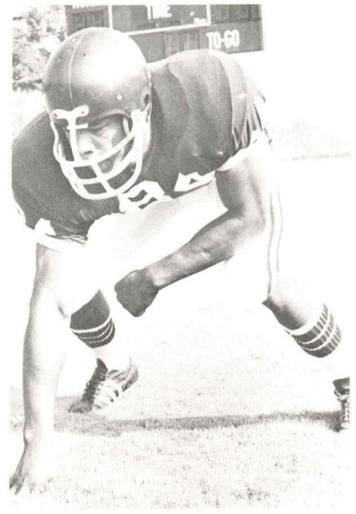
ANTHONY SIMMONS



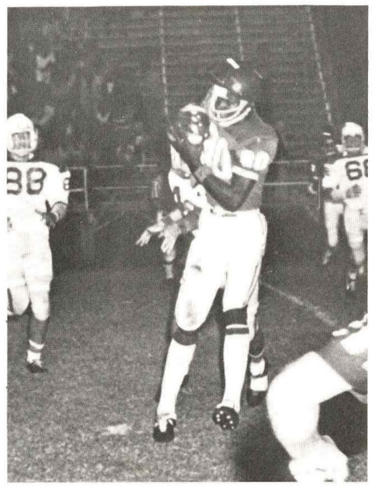
Our team came off their 28-0 win over Laurel a little flat, as they fought a good team from Tate, Florida almost to the wire, before tallying a Homecoming win of 21-14.

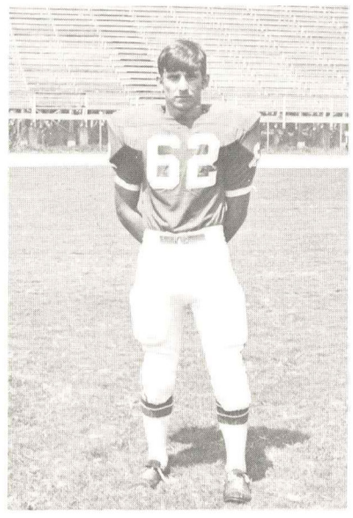
BOBBY MOLDEN



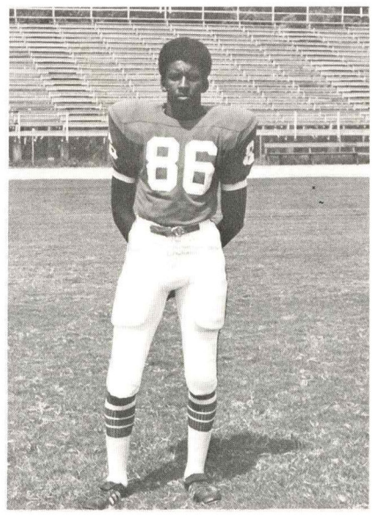


GERALD JACKSON



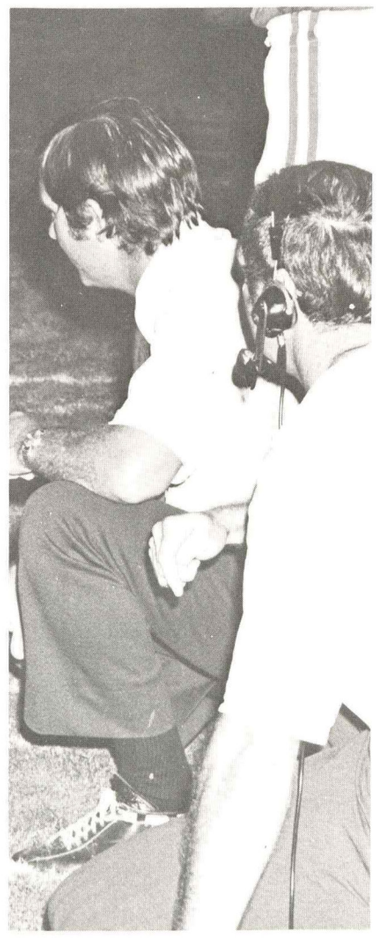


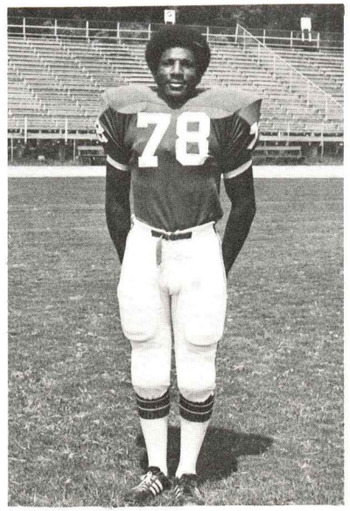
DENNIS SELLERS



BRUCE LEWIS

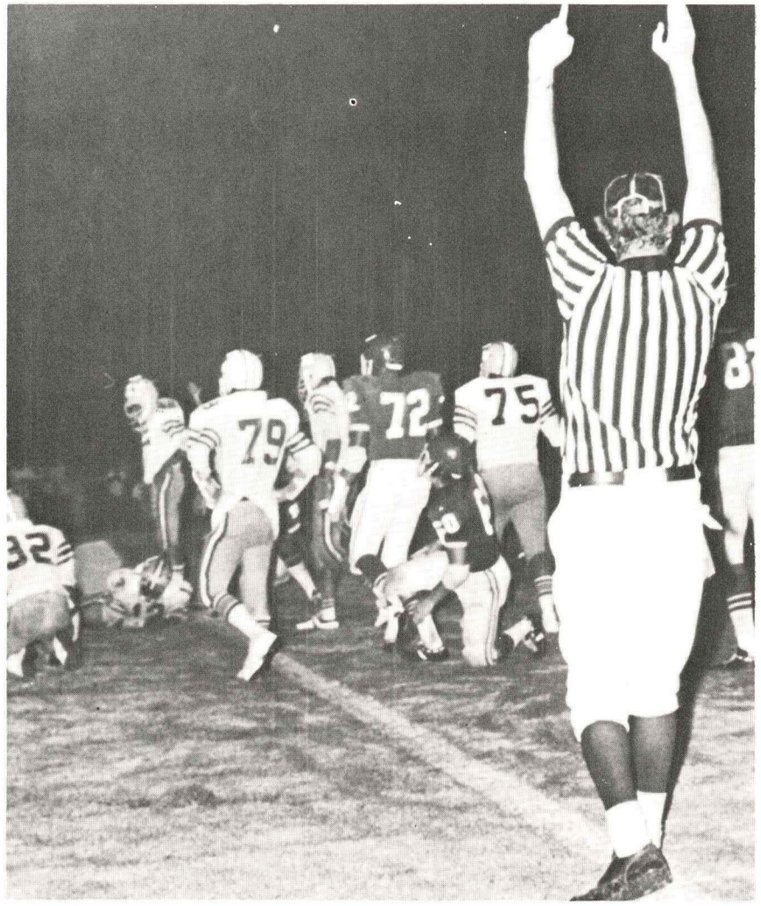
Coming back from a 10-0 deficit and 4 first half fumbles, our Tigers over took an opportunistic Gulf-port East team.



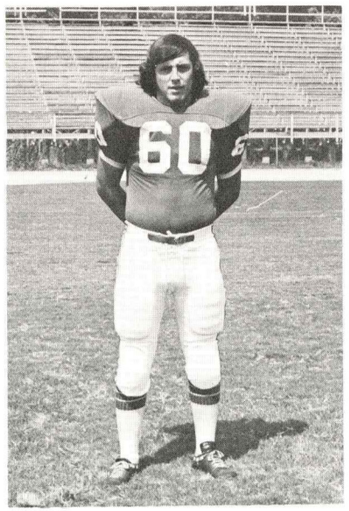


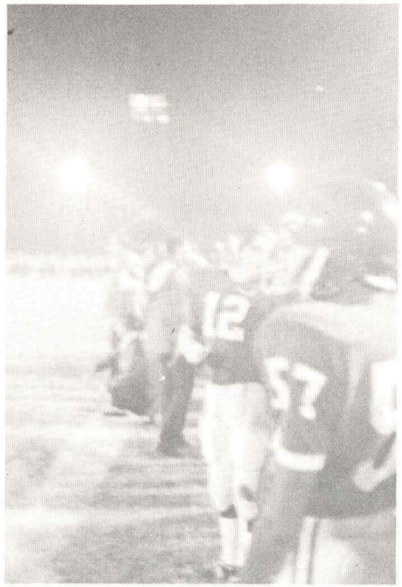
FRANK BURKS

The Indians of Biloxi proved a tough contest but, not to be denied the Tigers tacked on their 9th win with a 13-3 decision.

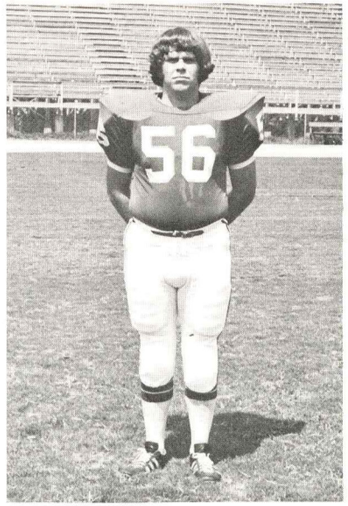


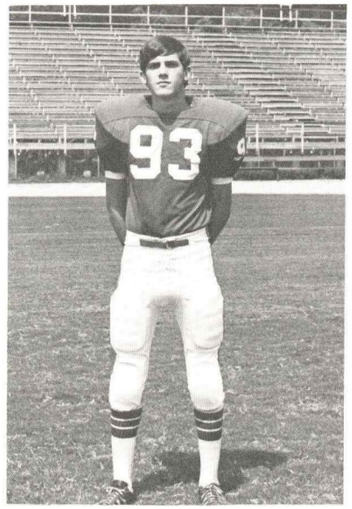
PAT SWITZER





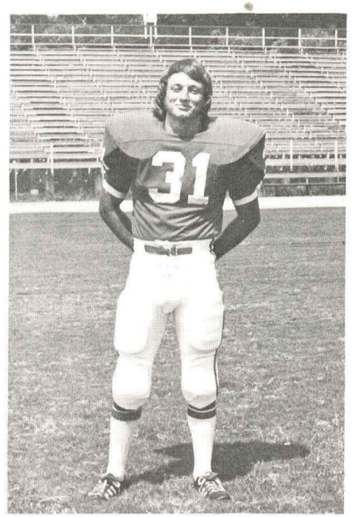
JOEY ROBERTS



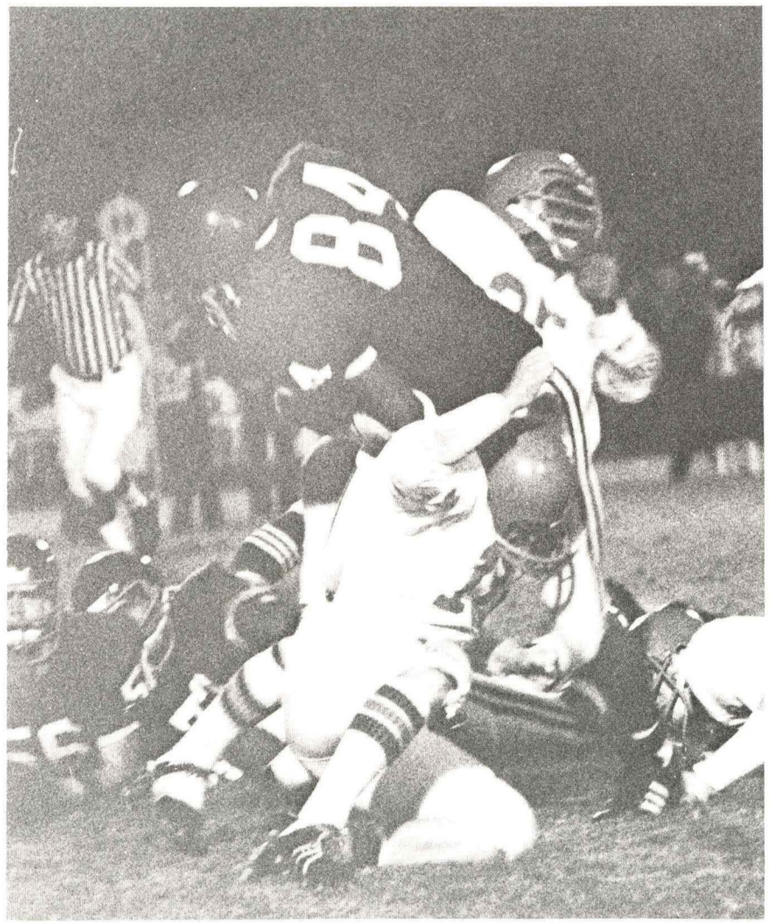


ANDY TAGGART

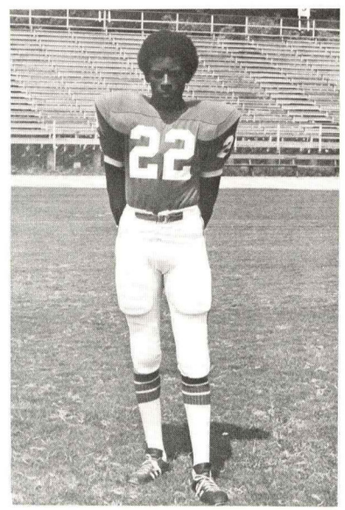
A fourth quarter tackle-eligible pass and a last minute goal line stand assured a 31-24 defeat of our arch rival Pascagoula. The victory proved our superiority over the past three seasons and netted our team an invitational to the 35th annual Shrimp Bowl Classic.

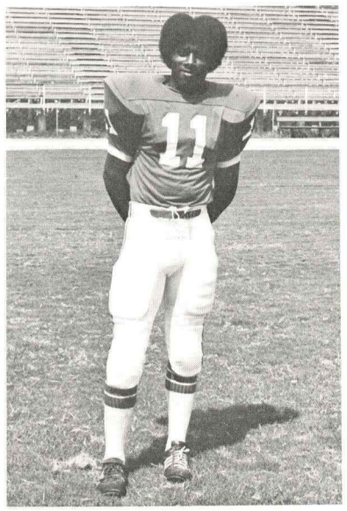


STEVE McMELLON

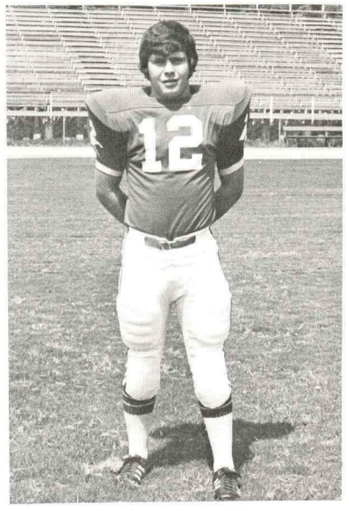


ROBERT CHATMAN



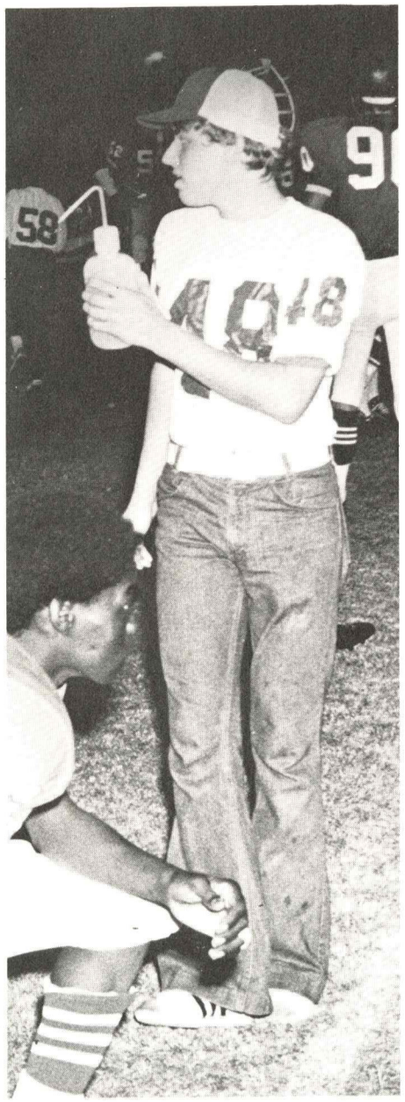


ALEX WILLIAMS

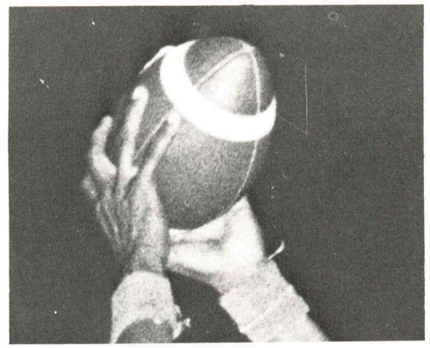


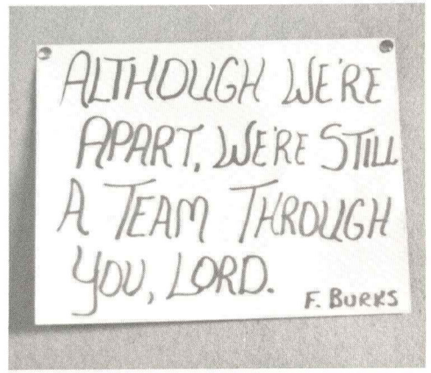
HAL HOLMES

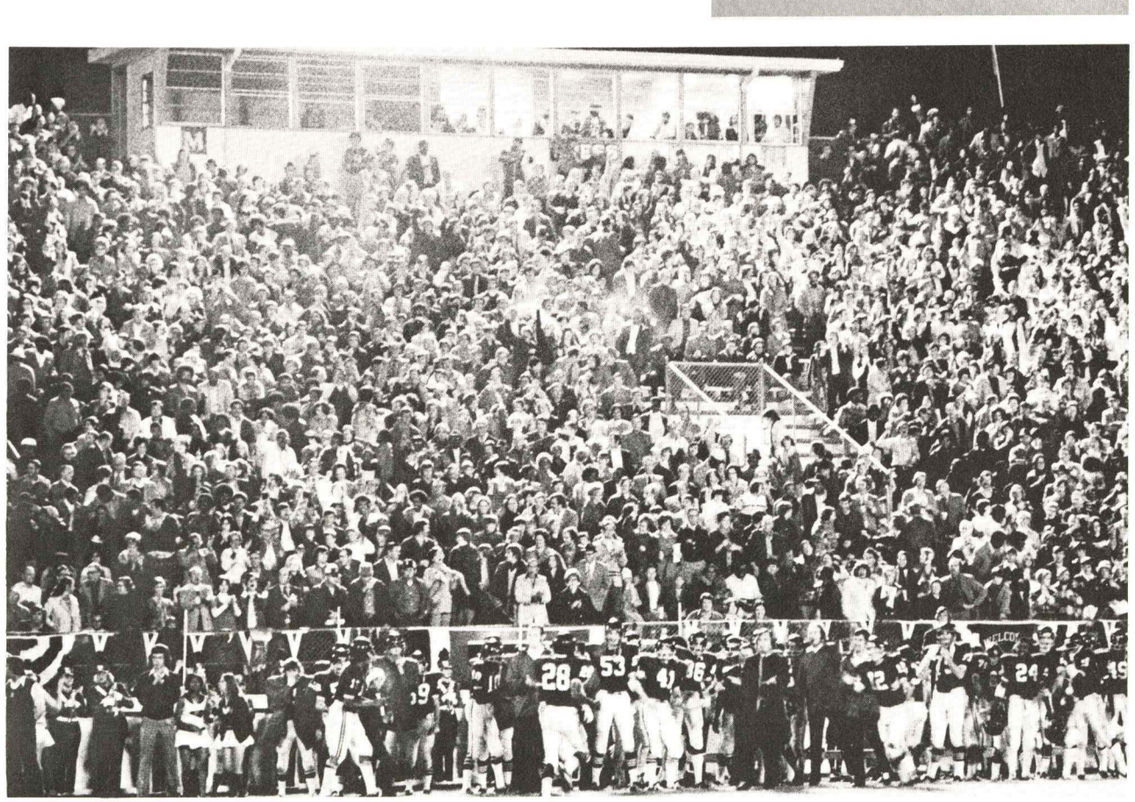
Laurel intercepted a third period pass and kicked a second period field goal to upset our top-ranked Tigers 10-7 in the Shrimp Bowl.



From the pain, the sweat, the victories and the tears we found a unity through God that will remain with us forever.







TENNIS

This year marks the beginning of Tennis at Moss Point High. Even though the record shows a poor season, we feel that in the near future Moss Point will produce an outstanding Tennis Team.

ACCOMPLISHMENTS AND OUTLOOK

The Moss Point High School Track Team lost several valuable senior players. Several achieved state wide acclaim.

Robert Lett received a Track scholarship to Mississippi State University. Tim Dryden will probably receive one but at the time of the printing of the year book he had not decided on a particular college. Gerald Jackson who recieved a football scholarship to Mississippi State will also run track.

In the state Gerald placed 5th in the 100 and 220; Robert won 1st in the mile; Tim won 2nd in the 880 and James Williams won 2nd in the discus and 5th in the shot put.

According to Coach Beasley, MPHS will continue to progress in track. "Things look brighter for the future. We lost some valuable members, but we will have some very promising juniors and sophomores coming up."

A ZAPATA COMPANY

The '75 Tigers earned the right,
To be No. 1, by muscle and might.
They earned their right to a place
In the sun
And in our hearts
They'll always be No. 1.

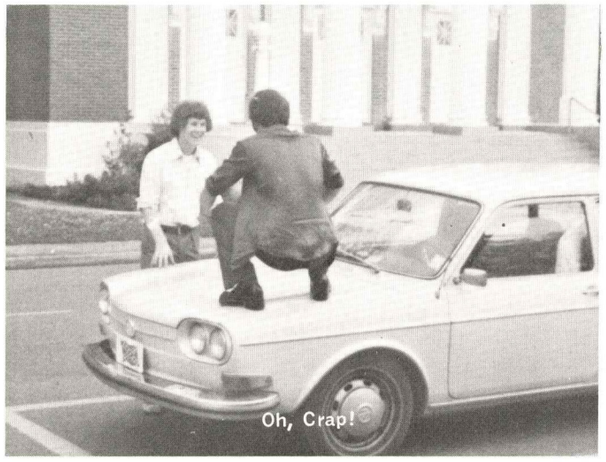
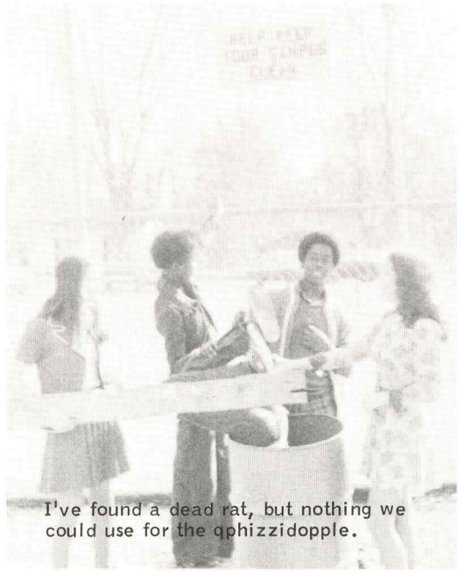
Why me, Lord



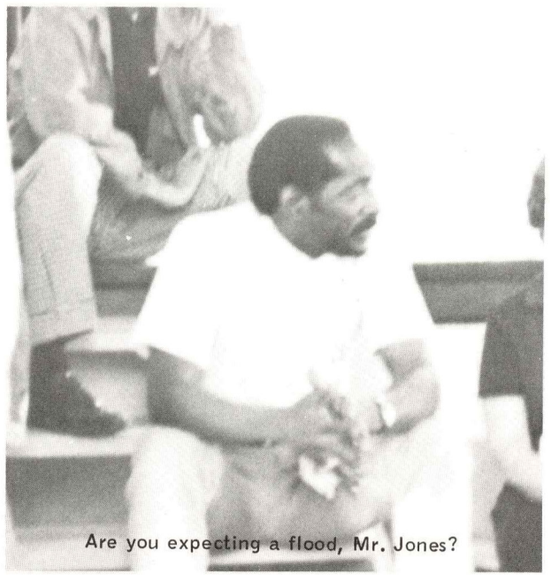
Oh, Crap!

Mutt and Jeff

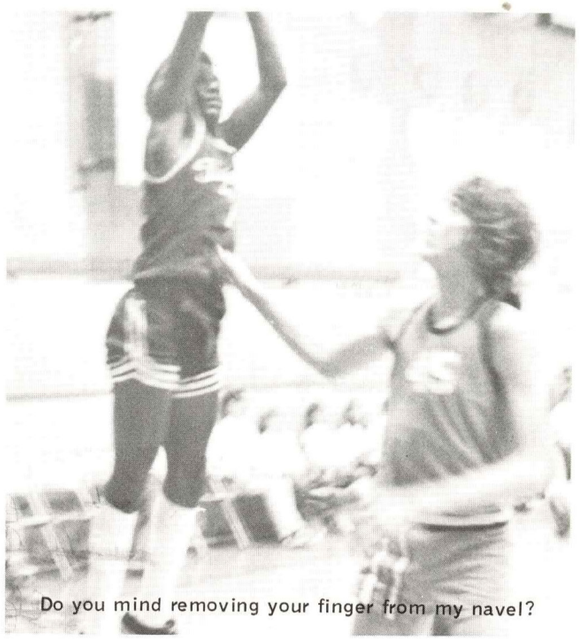


I've found a dead rat, but nothing we could use for the qphizzidopple.

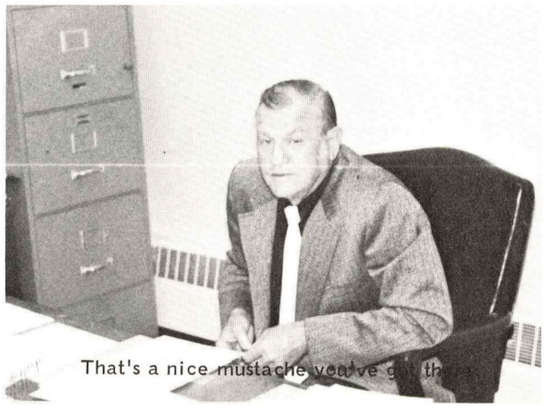
Thus to all tyrants.



Are you expecting a flood, Mr. Jones?



Do you mind removing your finger from my navel?



That's a nice mustache you've got there.

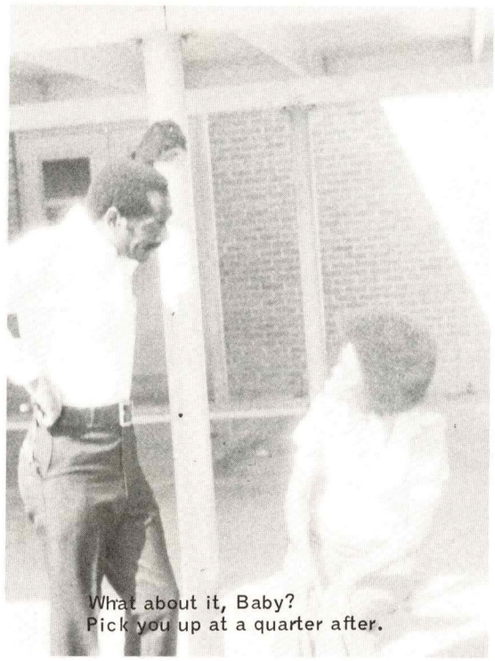
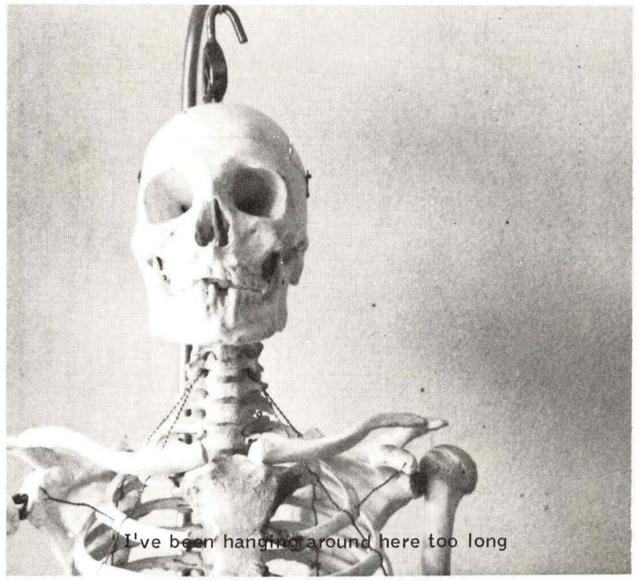
Photography is an art.

Sooner or later we're gonna get'cha.

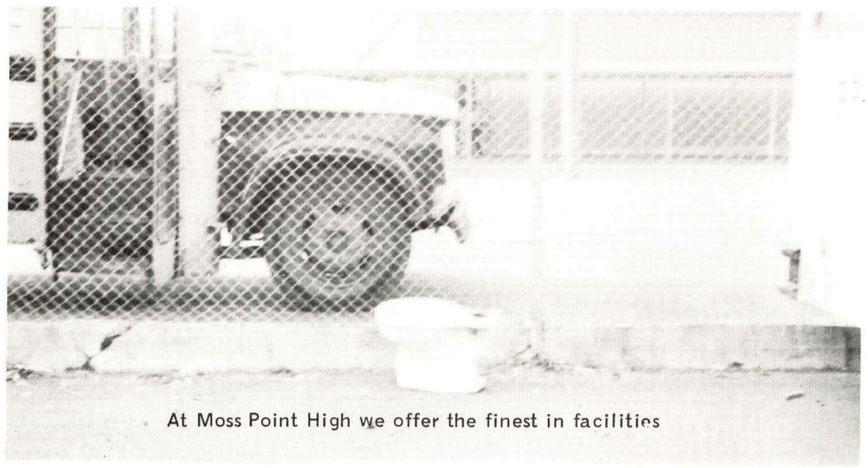


What about it, Baby?
Pick you up at a quarter after.



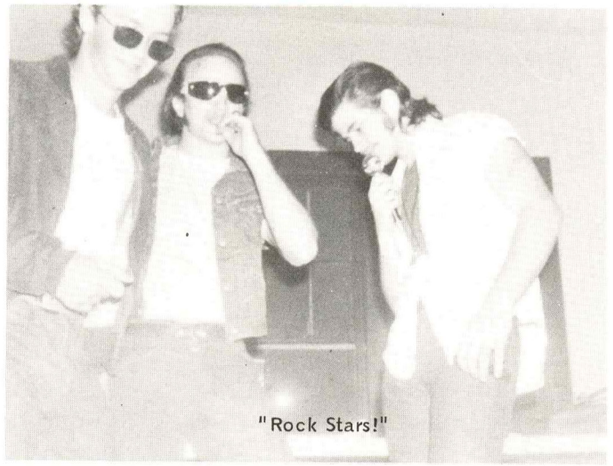
I've been hanging around here too long

This means the Juniors have finally realized . . .

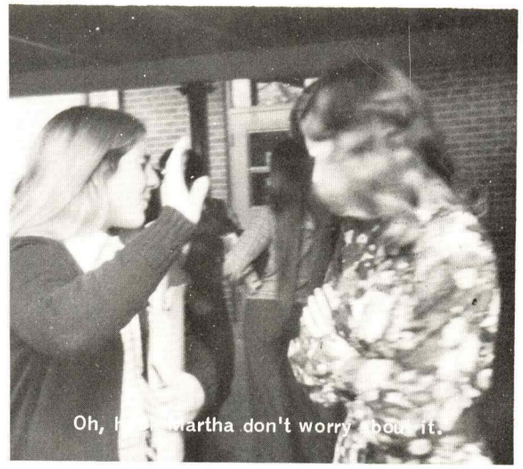


At Moss Point High we offer the finest in facilities

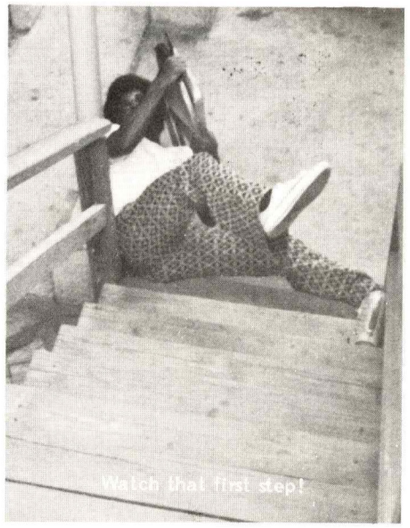
I never knew watching could be so much fun.



"Rock Stars!"



Oh, I [illegible] Martha don't worry about it.



Watch that first step!

Here at MPHS the class rooms are overflowing with eager students.

JUST A SECOND . . .

We the members of the 1975 Growler Staff, in order to form a more perfect annual, have been through many trials to present these '75 memories.

The sixth period annual staff has suffered through - 50 Yawn temper tantrums, 13 spastic fits of Buddy, and have interupted Mrs. White's study hall 131 times.

We have built up our courage 26 times in order to face Mr. Blackledge and have made Mailfoto a monopoly.

We made 5,339 mistakes, 7 long distance phone calls, skipped 21 classes, used 47 pencils to the nub, chewed 70 packs of gum, used 3 typewriter ribbons, eat 30 bags of Chee-tos, gave one pep rally in honor of the Goula defeat and made 7,486 pictures.

In completion of the 1975 Growler, we Seniors, Mary Carol, Karen Hal, Gloretha, Mary, and Steve have become immortal enemies from having to cope with each other in sixth period for nine months straight.

After all this displeasure, if you for some odd reason do not like and cherish your '75 Growler . . .

SKIP IT!!!
